## **SPECIAL ANNOUNCEMENTS**

### **Council Adopts Chairperson Sustainability Initiative**

The following Sustainability Initiative was adopted by Everett PTSA Council BOD on February 17, 2021:

*Our goal at Everett PTSA Council is to encourage wider and more inclusive PTA leader engagement and give our Executive team the time they need to fulfill their positions well. In an effort to collectively encourage a policy of sustainability, Everett PTSA Council board members are encouraged to chair no more than two committees, programs or events in addition to their board role.*

*If, despite consistent and multiple recruitment efforts, a capable chairperson for an Everett PTSA Council program or event cannot be found, the board will consider cancelling the program, event or committee work in question until the role is filled.*

### **PTA Fundraising Opportunity with Bloodworks NW**

If your PTA is looking for a creative way to both help the community and raise funds for your PTA at the same time, consider partnering with [Bloodworks Northwest](#). Bloodworks Northwest provides much needed blood supplies to many of our hospitals around the state, including Cascade Valley Hospital, Providence Regional Medical Center, Swedish Edmonds and Evergreen Health. Going on through June, they are offering a new opportunity specifically to work with PTAs in organizing a blood drive and asking for people to donate blood at their donation center at 2703 Oakes Avenue in Everett. They have worked with schools, churches and community groups in the past and this would be an event that PTAs would organize virtually, with blood donations taking place at their regular donation facility.

If you think your PTA might be interested in this possibility, email us at [EverettPTSACouncil@gmail.com](mailto:EverettPTSACouncil@gmail.com) and we can send you more detailed information as well as put you in touch with the local representative who could help your PTA setup this opportunity. Because of the location in Everett, this might be ideal for a central or north-end PTA, and we would be happy to try to help spread the word to other area groups to make it successful for you.

### Membership Incentive Courtesy of Council

Are you looking for a little more incentive to help boost PTA membership? This school year, we have introduced a couple of incentives to help us reach our Membership Goal of 5200 members for the 2020-2021 school year.

If we reach 90% of our Council Membership Goal by March 14 ("Pi Day"), Everett PTSA Council's Co-VPs of Membership (Amanda Cabana, Craig Willis) will each receive a "pie in the face" from selected Local PTA Executive Teams. Every Everett School District local PTA in Good Standing will be eligible to be included in the drawings for pie-throwing PTAs.

If we reach our Council Membership Goal by the end of the 2020-2021 school year, one selected Local PTA Executive Team will **pour a bucket of ice water** over the head of our district superintendent, Dr. Ian Saltzman. Every Everett School District local PTA in Good Standing will be eligible to be included in the drawing for this Grand Prize.

## ADVOCACY

### Legislative Updates and LegCon 2021

Greetings!

A couple of things I wanted to mention. We are at almost at the half way point of this long legislative session. The next big date we will be looking at is March 9 when all bills must pass out of their house of origin. If you have not had a chance to read our legislative consultant, Marie Sullivan's, bill report I encourage you to do so. Marie puts these reports together to benefit our membership and they are always filled with lots of good information. This past week, those of you who are signed up to receive action alerts, received one about firearms safety. This bill is SSB 5078 and is sponsored by 21<sup>st</sup> legislative district Senator Marko Liias whose district covers a slim part of our school district. If you want to read about why WSPTA supports this here is the link <https://www.wastatepta.org/call-to-action-addressing-firearm-safety-measures-to-increase-public-safety/>. This issue aligns with our Top 5 issue "Prevent and Reduce Gun Violence and Suicide." We would like members to write to their legislators to support the bill to get it out of committee and on to the Senate floor for a vote. If you have not done so already, please also sign up for our action alerts.

A big event that is coming up is LegCon 2021 (March 9-11). We have 53 members signed up to attend this year which is the largest number we've had! The conference will have several sessions about advocacy and different topics that are important to PTA as well as meeting with our federal congressional legislators or their staff. If you are attending, I wanted to mention the session "Empowering Parents to Mitigate the Adverse Impacts of Climate Change" that Washington's own Susan Baird-Joshi will be presenting. Shout out to Susan for representing Washington!

For those of you who have 2<sup>nd</sup> or 3<sup>rd</sup> graders returning to school this week, I hope that it is a smooth transition for everyone!

Lizzy Sebring  
Advocacy Chair

## SHOE FUND

### It is Not Too Late to Donate!

Hi PTA Leaders!

Thank you to all PTAs/PTSAs who have contributed to the Shoe Fund this year! And for schools who have not yet donated – it's not too late! All funds donated go directly to purchase shoes and shoe gift cards for students in our district. We are actively working with counselors and school staff to get shoes in the hands of students who need them. Thank you again for your generous support of this essential program.

If you have any questions, please email Abbey McGee at :

## **EVERETT PUBLIC SCHOOLS NEWS**

### **Community Services - Scheduling Outdoor Facilities**

Beginning today, March 1, 2021, Everett Public Schools outdoor facilities will be available for scheduled use after school hours by a wide variety of community groups in accordance with the district's [Fee Schedule 6115S](#) and school [Board Policy 4333](#) and [Procedure 4333P](#). This includes athletic fields, playfields, tracks, covered play areas, playgrounds, and play equipment; and it also allows unscheduled, occasional use of outdoor facilities by any group. Grass fields throughout the district may be closed at certain times when undergoing regularly scheduled grounds renovation activities such as aerating, thatching, fertilizing, and overseeding.

Facility users must comply with all health department or governmental requirements related to COVID-19 regarding group size, personal protective equipment, social distancing, and other requirements. The District reserves the right to deny or cancel a facility use request if such users fail to comply with applicable requirements.

Everett Public Schools indoor facilities will remain closed to community use until further notice. This closure is expected to remain in place until district program use of these spaces resumes, and until the district determines it can provide the necessary level of cleaning and sanitizing without jeopardizing custodial services for its own programs.

It is important to review [Procedure 4333](#) prior to requesting facility use.

Seasonal athletic facility use requests are not scheduled through the online scheduling system. Instructions and all forms needed can be found on the [Athletic field/gym seasonal page](#).

Facility use should be requested no later than two weeks prior to your desired use start date, to allow time for processing.

Everett Civic Auditorium facility requests are required no later than 60 days prior to the intended use.

For facility use of Everett Memorial Stadium and Lincoln Field, please contact the athletics department at 425-385-4261 for scheduling.

After hours emergency call: 425-923-6336
