

# Everett PTSA Council 7.3

## *The who, what and why...*

The Everett PTSA Council is comprised of PTA Leaders who are parents like yourself with children in the Everett School District, have served on many different local PTA boards in a variety of roles and who, like yourself, want to make a positive difference in the lives of the children, families and schools in our community. **We are excited to welcome you to the 2021-2022 school year!**

*So, where does Council fit in?*

The Everett PTSA Council is a meaningful and vital **resource** to PTAs and our community partners.

We support, empower, and guide our PTAs to be successful through **leadership training** opportunities, volunteer **recognition** (including our annual **Council Awards Recognition Celebration**), and **advocate** on behalf of children and youth in schools, in the community, and in front of governmental bodies and other organizations that make decisions affecting children.

We support our PTAs in the facilitation of State and National PTA programs like **Reflections**, **Membership**, **Awards of Excellence**, and **Family and Community Engagement (F.A.C.E.)** initiatives, and **collaborate** with our community partners to **communicate** vital resources with the PTAs, families and schools in our community.

The Everett Council **Shoe Fund Program** is unique to our Council and is funded by the local PTAs in the Everett School District. In example, during the 2019-2020 school year we were able to grant 123 pairs of shoes to Elementary Students and 116 Famous Footwear gift cards to Middle and High School students. We thank your PTA for continuing to fund this important program!

Thank you for helping us achieve these goals and for your support of Council. We are **#PTAProud**
