

Each year Everett PTSA Council recognizes volunteers and educators who have given outstanding, continued and dedicated service to our children. These deserving recipients go “above and beyond”, and their efforts reach beyond the usual school boundaries. This is your opportunity to participate in the selection of our award recipients by nominating candidates for consideration by our award committee. Nominations can come from PTAs, parents, staff members, students, or community members.

The Everett PTSA Council Awards are presented at the annual council celebration in May. Nominations are accepted for all awards, though each award may not be presented annually. The awards committee is appointed by the President, and typically consists of past recipients. For all of the WSPTA Awards, a contribution in the name of the recipient is made by the Everett PTSA Council to the Washington State PTA Scholarship Program. From these contributions, WSPTA is able to provide grants to freshman students entering post-secondary education.

I recommend that: _____ be considered
for an Everett PTSA Council award.

Choose which award you are nominating for:

Please detail on a separate sheet why you think they should be honored. Include examples of PTA service (Local unit, Council, etc.), community or school district service, and any other qualifications you think are important. Please give as much detail as you can.

You may submit more than one award nomination, but please use a separate sheet for each nomination.
