

# Everett School District Special Education PTSA

Working together for student potential

## About us

The Everett School District Special Education PTSA (Parent Teacher Student Association) is a community of parents, staff and students who work together to enrich the learning environment and provide resources to students and their families through advocacy, information, training for educators and students receiving special education services.

## Why join?

We cover ALL Everett School District schools who have special needs children and receive services. We are separate from local school PTAs. Funding goes toward supporting advocacy, information sharing, Special Education training and support.
