About F.A.C.E.

Supporting your child's education is the most important contribution as a parent you can make to his or her success in school and in life.

Family-school engagement is an ongoing collaboration that involves shared decision-making, open communication, mutual respect, the building of trust, and the welcoming of cultural differences and different perspectives.

PRINCIPLES

of Equitable Collaboration

Weaving Together Families and Educators

Grant Opportunity

Everett PTSA Council now offers grants up to \$150 to support local PTAs. Grants are available for hosting a FACE event, where family & community engagement is a primary goal & outreach efforts to diverse school populations are being utilized.
