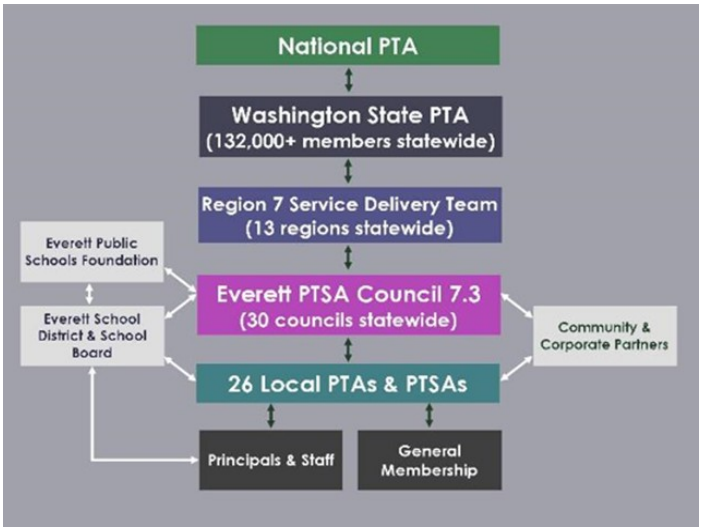
Everett PTSA Council 7.3

The who, what and why…

The Everett PTSA Council is comprised of PTA Leaders who are parents like yourself with children in the Everett School District, have served on many different local PTA boards in a variety of roles and who, like yourself, want to make a positive difference in the lives of the children, families and schools in our community. **We are excited to welcome you to the 2018-2019 school year!**

So, where does Council fit in?



The Everett PTSA Council is a meaningful and vital **resource** to PTAs and our community partners.

We support, empower, and guide our PTAs to be successful through **leadership training** opportunities, volunteer **recognition** (annual **Council Awards Recognition Banquet**), and **advocate** on behalf of children and youth in schools, in the community, and before governmental bodies and other organizations that make decisions affecting children.

We support our PTAs in the facilitation of State and National PTA programs like **Reflections**, **Membership**, **Awards of Excellence** and **Family and Community Engagement** initiatives, and **collaborate** with our community partners to **communicate** vital resources with the PTAs, families and schools in our community.

The Everett Council **Shoe Fund Program** is unique to our Council and is funded by each local PTA in the Everett School District. These funds provide Payless Shoes gift cards to students in need. In 2017, we distributed 182 cards to elementary students and 98 cards to middle and high school students. We thank your PTA for continuing to fund this important program!

Thank you for helping us achieve these goals and for your support of Council. We are **#PTAProud**!
